

The Cooks

Church Planting Ministry, USA

Sept. / Oct. 2019

Dear Friends and Supporters,

“Call unto me and I will answer thee, and shew thee great and mighty things, which thou knowest not.” (Jeremiah 33:3).

Linden celebrated their 200 year birthday in September. The church was able to set up a table and two of the men had the opportunity to give the gospel to a few as well as handing out John and Romans. We continue to go on visitation and give the gospel because there is such a need here in Linden, Tn. I have been praying for 5 new families and now we have a family of five visiting. They are a result of the visitation program.

The church had Scot Pahlman to come; he is a missionary with Bearing Precious Seed/Local Church Bible Publishers. Bro. Pahlman also preached and was a blessing to the church.

The church had their 5th Sunday Fellowship and we had a great meal and good fellowship.

Kathy and I are doing well. Since my surgery they did a test to check my PSA level and it showed no cancer less (than 0.014). My heart doctor says I am doing well. I do not have to see doctors again until after Christmas. Kathy and I are so blessed and thankful. Let me encourage you to read James 5:14-15 the prayer for the sick. If you have a need do what this verse says to do. I did and the Lord heard and raised me up! Praise Him!

Thank you for your love, prayers and support. Please continue to pray for the church planting ministry and for souls to be saved.

Yours for Tennessee,
The Cooks
