October 31, 2019

Dear Church and Friends,

The leaves are changing, the air is cool, and the smell of wood smoke is on the mountain. Such a beautiful time of year.

School is busy as the kids just finished their first 9 weeks. They are busy making this years Christmas Ornament that they will be selling to raise money to furnish the new game room. We are working hard to get it finished before the first snowflake falls and they can enjoy recess inside.

It has been a very busy couple of months with many church activities, and groups. We have enjoyed having the church bus kids, Sunday School classes, field trips, and the Bikers. What a blessing seeing people enjoy this beautiful mountain. The first of November, Freedom Baptist Church men will be coming to Wood Cutting Day to cut and fill all the woodsheds and have us ready for winter. Both the school and the house are heated by wood so this is a big blessing for this ministry. Praying for a mild winter. The cold winds and snow can be hard on a wood pile!

Thank you all for your continuing prayers and support for the ministry and school. God has truly blessed and supplied our needs over the last 31 years. Thank you for helping us help others. Please come visit us and see what God is doing on the mountain. We truly are Grateful, Thankful and Blessed!

Faith tells us, no matter what the future holds, GOD is already there.

Because of Jesus,

BRO King
