Summer 2019

Dear Pastor and Church Family,

**“He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame”** (Proverbs 10:5). I don’t think there are any of us that want to purposely waste the summer season: From taking advantage of gathering summer fruits and vegetables from our yard—to vacations with family and friends, from getting some outdoor projects done—to enjoying the sun and warm weather by having a cookout...summer is a precious and valuable time because it is such a short season. Therefore, we must be wise not to waste a moment of it! That also goes for the spiritual summer season of gathering an eternal harvest of souls, which to all of us believers should be 365 days of harvest each and every year. May we all take heed to the cry of those precious souls who have been, or will be, left out of the spiritual harvest: **“The harvest is past, the summer is ended, and we are not saved”** (Jeremiah 8:20).

Our summer, like yours, was busy: From saying “good-byes” to dear friends in ministry that moved away—to saying “hello” to dear family members and friends, from teaching Sunday School when in town and going out soul winning (please pray for the salvation of Tony and David)—to visiting other churches, from attending the Spiritual Leadership Conference and setting up our BIMI missions display in June—to attending our BIMI Directors’ Meeting in August, from preaching a missions conference—to preaching the 20th anniversary celebration at the church of a dear pastor friend, from celebrating our 45th wedding anniversary—to experiencing the jolts of two large earthquakes in our region (6.4 and 7.1) in the same week—please don’t read anything into this as being synonymous!

We truly do appreciate your financial support and your prayers (in the past and for the months ahead): From our health—to safety in travel, from new ministry opportunities—to spiritual and eternal fruit. We truly do need you and depend upon you! We greatly appreciate your faithfulness: From your love for lost souls at home—to your love for lost souls around the world. We truly “are labourers together with God” in His harvest!

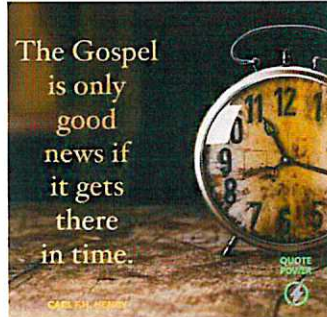

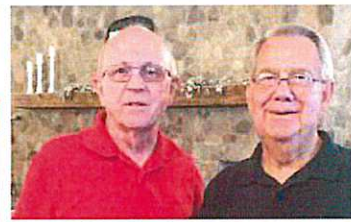

Your friends in the harvest,

*Mike & Wilda*
