September Report 2019

ON THE ROAD AGAIN - We've been "home" on furlough for only five weeks but it seems like it has already been five months. Time does fly, especially as we have flown from place to place every few days. After a week and a half of local meetings near our home church and treasured time with family and friends, we hit the road and it has been non-stop ever since. Furlough, so far, has taken us to Indiana, Michigan, North Carolina, and Texas. We have been in three mission conferences and have visited 10 churches. Ahead of us are several more mission conferences and meetings in Indiana, Ohio, California, Colorado, Florida, Washington State, and Idaho. **Please pray with us for the following to be the blessed results of these meetings:**

1. That we will be an encouragement to each church / family as they see how they are helping to reach Botswana for Christ.
2. That each church we visit will experience a revival and a renewed heart for global evangelism.
3. That God's people (especially young people) will be sensitive to God's call and surrender to serve at home and abroad.
4. That the Lord will provide for these **special project funds** - \$10,000 to kick start a land/building purchase for Grace Baptist Church and the remaining \$22,000 needed for the second printing of New Testaments. **\$3200 has been given already!!**

THE JOY OF GOD'S FAMILY - There were many blessed moments with family and dearest friends who have become family to us during our time in North Carolina. For the first time, we met Lilly (The Lilly Project) and her great family and presented a plaque honoring her and the church family for their contributions to the Bible project. It was a special moment and we shared some sweet tears of joy as we celebrated God's great grace and power and the precious faith of one little girl. The Mission Conference services were unusually powerful and the whole conference was like a revival.

And we had the opportunity to visit Cindy's uncle who had terminal brain cancer. Words cannot express the nearness of our Lord as we shared a few moments together and said our "good byes" to a dear man of God who is now face to face with our Saviour!

In Texas, our cup was filled once again with the Texas sized love that our partnering churches there have for the Lord and missionaries. These past five weeks remind us of what joy it is to be so intertwined with God's people. WOW, WE LOVE YOU FOLKS! Thank you for loving us and having such a heart to help us get the gospel to the ends of the earth. I know that, the only way we can be worthy of such grace is to go back to Botswana and give our all in the work God has given us there. And believe me – we're getting charged up about getting back to it!

GREAT REPORTS FROM BOTSWANA - Pastor Monte is doing a wonderful job of caring for the church in our absence. As I've talked with different church members through WhatsApp I can hear their excitement, "Pastor Monte is finding himself. He's preaching like a man on fire," are just some of the comments. Last month 16 church members gathered to evangelize with New Testaments in a new village. They reached 400 homes in four hours giving one NT per household and sharing the gospel house to house. The church is standing behind Pastor Monte, encouraging him, and taking ownership of the ministry. This is the greatest joy any missionary could ask for. By faith we labor in love, then stand in amazement as the Lord builds HIS church. More great news, Emily's permits were APPROVED and she will be able to return with us in December. Please pray that the Lord will give us five new supporting churches. We hope to have the help of some missionary interns this coming summer so that we can go to a whole new level of getting into the public schools with the New Testaments and gospel cartoon outreach. Additional support will help to fund these efforts.

**Together in the Harvest,
Mike & Cindy Haley**
