July 16 - Sept 6 2019

Dear Friends in Christ,

We want to bring you up to date on some of the happenings over the past 2 months.

1. July 16th Linda and I celebrated our 58th Wedding Anniversary! We thank the Lord for the wonderful years we have shared our lives together and for the ministry HE has given us for his honor and glory. 38 years in Italy and now 3 1/2 years of ministering to Ex Drug users, abused Women, some mentally disturbed and Homeless men and women as we preach and teach the Word of God to them.
2. We have seen the Lord working in many of the hearts and lives of a good number of the men and women lives in the homes. One man in particular in house #6. He is a Chinese man that at first did not want to listen to the lessons and sat in another room. He has been in the states for some time now and speaks English quit well but doesn't read English. After the first month he came into the room where we have the study and listened well. After we had finished the lesson I ask if he had a Bible and he said NO. I told him that we would try our best to find him a Chinese Bible and he responded I would really like that. We looked all over Greenville for one but were not able to find one in the Book Store. I contacted Bro. Robert Mullinax who is a missionary to China and he gave me one that he had. When I gave the Bible to him His face lit up with joy. He has been reading it and now is in the Bible Studies and learning more about Jesus. Please pray that we will see him saved soon!
3. We saw another man die in one of the homes but sad to say, he never accepted the Lord as his Saviour. This really breaks our hearts.
4. We received word from Sicily that Maria Giovani was having trouble with her throat and went to the doctor and they found a growth and said the she has to go to a throat specialist for test to determine if it is cancer or not. The test will be the 16th of this month so please keep this in your prayers.
5. In closing we ask that you please pray we will see more of these precious men and women saved for God's Glory!!

In Christ,

Brother Randall & Sister Linda
