October 1, 2019

As always, I first want to say **Thank You** for the faithfulness that you show to the Lord's work in praying for and giving to missions through FBHM. The work that continues around the world could not be accomplished without your prayers and generous support and gifts that you give. **Thank You** for your part in making it possible.

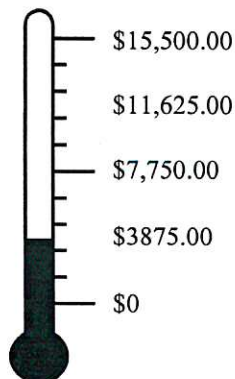

I want to turn the attention of this letter to the *special need* that we have here at the mission board headquarters. A big part of the ministries here at the mission board head quarters is our printing ministry. We print hundreds of thousands of gospel tracts per year, many of which are offered on a love offering basis. Each tract is printed, **cut** and folded in house.

The **cutter** that we were using was a 1963 model. It has served us very well in all the years that we have been in ministry. Unfortunately, parts for this machine are no longer manufactured; used parts were becoming impossible to come by. We kept it running as long as we could, but the time had come that we had to replace it. We thought the cost would be \$25,000.00 but the Lord allowed us to find a slightly used one for \$15,500.00! That is a 38% savings!

Thanks to those who have already given, we have raised 25% of that and we now have the machine in our shop. I am including the photo of the cutter. It is a 2011 model, a computer controlled Challenger cutter.

**We are asking for your help with this special need.**

Please be in serious prayer when asking the Lord what He would have you do to help in meeting this need. May our Lord Jesus Christ continue to bless you this year & give you the desire of your heart!

God Bless You!

*Bro. Chip Stowe*
