Dear Friends:

Greetings in the name of our Lord Jesus! Thank you for your continued support of this ministry in the amount of \$50.00.

This month I have so much to be thankful for. I am blessed to be a part of the lives of thirty-three wonderful children and eleven dedicated staff workers. The Lord has been so good to allow me to have a part in this ministry of pure religion.

Thank you for those who have contributed so far towards our remodeling project. We still need \$15,000.00 to have the cost of this project paid for. We are also trying to raise the funds to have a bathroom installed in our children's home office. This is a tremendous need in order to protect the privacy of the children's personal living space.

The children are looking forward to the upcoming holidays. Please be in prayer for them. These special days bring a myriad of emotions. Some children get to see family; others will not and will stay at the children's home with their house parents. They are looking forward to the days out of school and getting to visit with some of you during the month of December.

We are so blessed to have you as part of our extended family. Thank you for your prayers and faithful support.

In Christ,

Kathi Sanney
Director
