Dear Praying Churches, Friends and Family,

As we come to the end of this year we have taken time to reflect on the things that have taken place. As all of you know we have struggled for the last two years in getting the approval from our fire department, prayerfully they will issue the permit soon. After much financial help from donors, physical help from multiple work teams, and spiritual help in all those who prayed, not only for the fire department’s approval, but also for our endurance. We thank you!

In our last prayer letter we were hurting financially and didn’t know how we were going to go forward, but the Lord opened the flood gates and supplied our needs, got us caught up on expenses and even helped meet the needs through December. We give the Lord praise for suppling in miraculous ways with special gifts & love offerings. We now can begin 2020 in the black and will continue trusting in the Lord to supply all that is needed for 2020.

Grace Baptist Church of Topraisar, is still going forward. We’d like to see it grow spiritual and numerically to be an encouragement for all. Brenda continues with the Ladies Bible Study where several women from the community attends, but won’t come to the church. In Sunday School we are working on verse memorization this quarter and studying “What Every Christian Should Know”. Crina’s husband and brother have been attending every other Sunday (on their days off from work) and we pray for their salvations. We’ve had the privilege of seeing one mother come to know the Lord, several babies being born, lives changed and the Gospel given out.

With the help of *The Master Craftsman Ministry* and donations given we were able to finish all the changes needed to pass fire inspection, which we have had and are now waiting on a response. A fire escape was built and installed, a fire escape door was re-installed on the 2nd floor, and two large fire resistant windows were put in. After these changes were made we had to repaint, which meant it was time to change the color of the outside of *Tina’s House*! It now looks so bright, clean and cheerful! PRAISE THE LORD for all!

The ministry has a few needs for this upcoming year. We need to hire a Christian social worker, nurse and two supervisors. We’d also like to have several volunteers join our team. We are needing to update our paperwork for licensing with Social Services to meet changes in the law. And most of all we need the residents that God wants for us. We have been asked by many here if we would open our doors to all mothers in crisis, including those with old children. This is something we are praying about.

Keith & Brenda’s needs. We are in great need of another couple(s) and or family to come work with us. There is more here than two aging people can keep up with. If you or anyone you know who may be interested in missions in Romania please contact us personally and we will be happy to answer any questions you may have.

*In Christ’s Love,
Keith and Brenda Price*
