This letter finds us all in a new year!
Happy 2020...may you be blessed by the Lord and profitable to Him this year!

Thank You for the faithfulness to the Lord's work in praying for and giving to missions through FBHM. This work continues around the world because of the prayers and generous support and gifts that you give. 2019 was a blessed and busy year; churches have been planted and souls have been saved through the preaching of the gospel, 4x4 vehicles have been purchased to make travelling in rough country possible and much much more! Wells have been drilled bringing fresh water to villages in Africa, and Central America and the Living Water has been proclaimed, solar lights have been installed where there were no lights and the Light of the Glorious Gospel of Christ has been shared. **Thank You** for your part in making this possible.

I want to give an update on the cutter that I told you about in the last letter. The **cutter** that we were using was a 1963 model. It has served us very well in all the years that we have been in ministry. Unfortunately, parts for this machine are no longer manufactured; used parts were becoming impossible to come by. We kept it running as long as we could, but the time had come that we had to replace it. We found one for \$15,500.00 and purchased it but it turned out that it had a defect. The company graciously reclaimed it and sold us another one in excellent shape for \$10,500.00!

Thanks to those who have already given, we have raised **82%** (\$8579.09) of that. We have a balance of \$1920.91 and we now have the machine in our shop. We have been using this one continually with no problems.

Please be in serious prayer when asking the Lord what He would have you do to help in meeting this need. May our Lord Jesus Christ continue to bless you this new year & give you the desire of your heart!

God Bless You!
