Pritchard

January 2020

Dear Pastor and Church Family,

Greetings from Paul and Sharon Pritchard working through Baptist International Missions to the country of Brazil since 1979. We appreciate your prayers and support for the ministry. The Lord is blessing the works with souls trusting Christ. Since our last newsletter six precious souls put their faith in the Lord – two of them were construction men working at the church in Jardinopolis. Also I visited John in the hospital in December and he prayed asking the Lord to save him. Please pray for John, he is 83 years old and has health problems.

Please pray for safe travels to Brazil in March. We are helping the church in Jardinopolis in construction, changing doors, making the church handicap assessable, and putting in handrails and remodeling the parking area for more space for cars. They are working house to house visitation and also at intersections in our city. They are having meetings at the homes once a week to reach neighbors with the gospel. Dr. Paul Pritchard Jr., the founder of Preach Evangelists Ministries, is how it is possible for us to have the materials through the ministry of Tons of Truth. We need your prayers and financial support to send a 40-foot container to Brazil in February 2020. You can call or email for more information. Pray that we can get the container through customs without any problems. The last two 40-foot containers that Dr. Pritchard sent to Brazil were months getting through customs. Prayers are needed in these situations.

Sharon and I are very grateful to all our friends and church families for your kindness and prayers. We appreciate all of you and please feel free to call us, email us, or send us a letter. We also want to thank those of you that sent Christmas gifts. We appreciate your love for us. If you would like to help with our travel to Brazil in March, we would appreciate your prayers and financial help. We thank the Lord for your partnership in our ministry to the Brazilian people.

My prayer is that the Lord would bless your work and that the Lord of the harvest would send more laborers into His harvest. This is very much needed as we get older and aren't physically able to accomplish what we would like. My heart's desire is that many more would trust in our wonderful Lord.

In His Service for the church's sake,

The Pritchards
