March 2020

We are praising the Lord for His continued blessings on the ministry of IBOM-ASIA. Little by little, the Lord is expanding our outreach and establishing more churches.

The LORD'S WORKING IN LAOS We often hear of a certain place like Laos being a closed country. Certainly we understand why it is referred to as such, however, the Lord said in Revelation 3:8 ...behold, *I have set before thee an open door, and no man can shut it!* The Lord is blessing the efforts of our church planters in this cold, communist country and giving fruits for their labors. They have been having home Bible studies for some time now and recently they were able to baptize new converts in the Mekong River. Please keep our church planters: Khamphon, Lavay and Ya Thor in your prayers as they continue to reach the Laocian people for the Lord.

Planting More Churches in the Philippines!

We commissioned Reymund and Grace Paculanang out of New Beginnings Bacolod in September 2018. They were planning to help finish out the Bible College for that school year and then go start their mission work. Shortly before that school year ended, Grace became an expecting mother. Therefore, they felt they needed to wait until after their second child was born safely before heading to the mountains to start their work. They were able to go in January and start the New Beginnings Baptist Church of Mt. Canlaon. This is a fabulous couple and they have already started winning souls and having Home Bible Studies. Please pray for them as they make Christ known in Mt. Canlaon.

We are also in the processing of starting a church with Reynald Flores in Camp Clark, Negros, Philippines. I will be conducting the commissioning service of this fine young man, who is a graduate of our Bible College on March 29. Please pray with us and for us as we continue to press forward winning souls, making disciples and starting more churches in Southeast Asia.

By His grace & for His glory, Bro. Chris Murray
