## FIRST QUARTER 2020

Greetings in The Name of The Lord! Wow! another year with unforeseen challenges has come upon us! The challenges we have come to face with the Covid19 pandemic are certainly filled with obstacles but also with opportunity. I believe God may use this to open the hearts of some, who in the past have been standoffish to the Gospel message. Reflecting upon this unusual time, we are reminded that in 2 Timothy 1:7 God says; For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. We say "Amen" to that!

We are basically on hold here in Northern Montana as our governor has us in "shelter in place" and gatherings are limited to 10 people maximum, so in response The Lord has answered our prayers and we are able to have drive-in services. This is unusual as at the first of the week, temperatures in the teens at night, snow and high in the twenties, but Sunday it is supposed to be almost 60 degrees with sun! Glory! We have attempted to follow the guidelines set forth by our governor even though we do not agree with such nonsense as liquor stores are "essential" and Church is not? However, Romans 13 provides we comply and we have been as long as this is NOT an attack on religious freedom. We didn't say we liked it but for now.....we comply.

We are locked out of the nursing homes and the jail for now. We talked with the church that was coming out to help us with VBS this year this past week and we chose to reschedule another time. I am praying that The Lord will show me concerning Bible Camp this year by the end of April. I ponder whether people will allow their kids to even go in close proximity to the end or relaxing of this so-called pandemic? Please help us pray concerning this!

We had a dad in his 30's that I work with, make a profession of faith a few weeks ago and he has been faithful in church attendance (until we went youtube) but then he has viewed every service on youtube as well as being hungry for The Word of God! What a blessing to disciple this man! He brings his two kids, one who rode my school bus. His wife has not come yet but she told him she was going to when we resume service! Pray for his wife, Sheena, to be saved! We also had another family join! Our little congregation is growing to borderline medium sized now!

Keep Havre Baptist Church in your prayers for souls to be saved, and that we can overcome the last \$12K to pay off our new building in the next few months! May our Lord bless and keep you in the days ahead! Thank you so much for the obedience to our Lord in making this church possible through your prayers and faithful financial support!

Gladly serving the Saviour,

Morris & Penny Sherlin
