

WAFFS MISSIONARIES SPANISH SPEAKING PEOPLE IN HAMPTON ROADS

March 2020

Dear Friends in Christ:

Time has been slipping by since our last letter. The Lord has been good to us during trials and tests, He is always faithful. Nancy was in the hospital for eight days with Cellulitis. On day seven they decided to do surgery on her leg which helped greatly. Now she has to go to the wound clinic once a week for up to ten weeks. After being home for about three weeks, she is sick again. Today, we went and had her tested to make sure she doesn't have the Coronavirus. We will find out in five days. Please keep her in your prayers. Pray also for our grandson Jacob and his family. They arrived in Santa Cruz, Bolivia today, just before the country closed its doors.

The ministry has been doing better over the past few months. The folks are being more faithful in coming. We still have some ups and downs in the attendance. On visitation, I am able to witness and invite them to church. I am also able to talk to some in places like Walmarts or in restaurants.

There has been great reports from the churches in La Paz, Bolivia, They all had a great VBS with attendance of over 100 and reports of some receiving salvation. The church in Cota-Cota has finished their new building and can now seat a lot more people. I will include some pictures that will tell more than what I could say.

This is the church in Cota-Cota in their new building. The first three pictures are when they had their dedication service. The last picture is during their mission conference.

The first two pictures are of the church in Oveyuyo during their VBS. The last is a picture of the church in Coqueni having an outing at the zoo.

Nancy and I plan on going to Bolivia during July 2020. It will depend on our health and if they are allowing people to enter the country. Please pray for the door to be open and that we have the funds needed for the trip. We long to see the folks and the churches in La Paz, Bolivia.

We thank each one of you for your prayers and financial support allowing us to continue the work that the Lord has called us to do.

Rudy & Nancy
