

MISSIONARIES TO TOKYO, JAPAN
CHURCH PLANTING

THE KINOSHITA FAMILY

Dear Friends,

SPRING 2020

Shortage of masks and sanitizer, lockdowns, church and school switching to live streaming/online classes...all happening here in Tokyo as well.

VISION SUNDAY

2020 vision theme for City Baptist Church is: Build Together (Eph 2:22)

Each of us as the body of Christ's church, is called to serve uniquely according to God's given gifts.

KID'S CLUB

One of the reasons we have left previous space last year is that last landlord was complaining about kids being noisy, and we were constantly trying to keep children quiet. There are families with kids who take about one hour train ride to get to CBC. This year we began Kid's Club every week and all the children start look forward to coming to church.

VALENTINE'S DAY

Many singles in Tokyo are from countryside, so we hosted single's get together to make Valentine's treats. Handmade candied orange peels (yes, chocolate dipped!) were shipped to their parents and grandparents back home and it was a success!

CITY BAPTIST COLLEGE

Praise God that 11 singles are currently enrolled in the 12-week college course, and I have privilege to teach night classes twice a week. These are the church members either dedicated to full time ministry, or seeking further knowledge in theology.

OUTREACH

Every Easter we had hand-delivered church invitations door-to-door, however we are mailing out invitations this year due to COVID-19. We pray that resurrection of Jesus Christ will bring hope in current uncertain times.

During this ever changing COVID-19 situations, let's pray for each other so that our faith will be strengthened; we are praying for you!

Thank you for your prayers.
In Him,

Nathan, Ruth, Charis, Christopher and Sarah Kinoshita
