Dear Gantt Street Baptist Church:

The women's prison population is growing faster than the men's, but these women are not forgotten by Rock of Ages. Each year revivals are conducted in women's prisons throughout America and in other nations. Some of our missionary's wives serve as chaplains in the ladies' facilities soul winning and teaching them how to be godly ladies. **God is doing a great work among the women's prison population.**

"We had an exciting revival at the Halbert Unit in Burnet, TX. Our team had 6 services at the prison, which were very well attended and fruitful. At the start of our one day of visitation, my partner and I entered a dormitory where nearly **every inmate, that lived there, brought their chairs out to us, sat down and looked expectantly at us!** This is not what usually happens when we are visiting in a prison dormitory, and I was astonished! I asked if anyone had a Bible question or a prayer request. A woman asked how to be victorious in spiritual struggles. This led to an impromptu lesson about the armor of God. After talking about the helmet of salvation, I gave an invitation to the women to come to Christ.

To my amazement, 7 women responded! I was able to talk to each one after the prayer time, and they all had clearly called upon the Lord in repentance and faith. While I was dealing with these women, my partner was surrounded by inmates eager to receive the gospel literature that we had brought. **What a joyful time we had seeing God move in this prison where over 50 professions of faith were made.**"

"God changed me and thru your ministry and counsel God is still working on me. I love you all in Christ. **If I don't see you here on earth it's okay. I'll see you in Heaven.**"

Inmate Letter

"Thank you for the Bible you sent. It is the best one I've ever had or even seen. I can find scripture for everything I need and I have started a journal of my walk with our Lord. **I love your study so much it is scripture and it teaches me how to read God's Word. I pray you continue helping others.** My life is so changed. I feel clean but more than that I repented and now I can live a real life. I tell you I wouldn't trade my life for anyone's even though I'm in prison, because God has renewed my mind and saved me from the pit of Hell."

Inmate Letter
