

May 2020

Dear Pastors, Churches, and Friends,

Yesterday, we were blessed to attend an online meeting with our mission board and fellow missionaries. The general thrust of the meeting was to encourage those of us on deputation as we strive to regain our momentum after these months of cancelled meetings and self-isolation. Deputation has never been easy, but current events have certainly thrown a monkey-wrench into many of our plans, and for some, it feels like starting over again.

Fortunately, we can rest in the fact that God is in control. None of this has taken Him by surprise or affected His plans for our lives. So, we'll take it one day at a time, trusting God to fill in the blanks when and how He sees fit.

In the meantime, we plan to continue to do our part to reach souls for Him and to take the steps necessary to reach our support goals.

After much prayer and consideration, we have decided to take a trip to Wales next spring and stay through some of the summer months. Many important activities take place during those months, and it would give us the opportunity to take part in these events and "get our feet wet" in the ministry there. Dana has already agreed to be the speaker for the ladies' conference at the end of April, and we're checking into arrangements for being involved with the various summer camps in the area. Of course, we intend to help out in the church services and offer our time and talents wherever else they are needed. We are excited about this opportunity and ask that you help us pray God will supply the needs for this trip.

While we're here, we want to remind you that we're a part of your work. If there's something we can do for you or some area of ministry where you need extra manpower, we'd love to help if we are able. Also, if there's a request we can pray about, please don't hesitate to contact us. We long to support you just as you support us.

Before we close this letter, we do want to praise God for another church taking us on this month. Yes, through this time of chaos and confusion, God showed His power and graciously allowed a church to vote to take us on for support during that very service. What a blessed reminder that little is much when God is in it. He is worthy of our praise!

May God bless you for your love and prayers on our behalf. While we know Satan longs to destroy the church and is using current events to discourage pastors, we pray your church will flourish more than ever and God will grant you power like never before as you strive to reach the lost for Him.

In Christ's Hand,  
Jason and Dana Rongione
