May 2020 Report FOCUSED ON A BRIGHT FUTURE

Once again, we have been overwhelmed by your faithfulness to the Lord, our family, and the work here in Botswana. We have prayed in earnest for all of you back home knowing that you too have been affected in unprecedented ways by the pandemic. Yet, in the midst of great uncertainty, God has been so faithful. Every prayer, email, and your unwavering support has encouraged us and reminded us that God is far greater than this present trial and there is nothing like the love that we have for one another as God's people.

Like most of you we have been on lockdown. For us it has been 50 days and very intense but by God's grace the work of the Lord has gone on, though it has not been easy. Internet at home is not common here and we've really had to get creative. Most of the church has had to listen to an audio version of the Sunday message on their cell phones. But, it has worked and the church family has been faithful in spite of the challenges. Our desire is that 2020 will be defined by the marvelous Cause of Christ (the gospel) and not the effects of the Coronavirus. The pandemic is real but its ultimate end result must be the glory of God! The Lord has worked mightily, even in the midst of this trial, and so we are able to **FOCUS ON THE FUTURE** with exciting news to share!!

We resume church services on May 24th and for the next two weeks will be "test driving" the building pictured below then, Lord willing, we'll move in permanently in August. We are discussing the prospects of a rent to own situation with the owner in hopes that we can buy it in the not so distant future to house the church, the Bible Institute, a Christian preschool ministry, and in time, a Christian primary school.

Please welcome MS. PAMELA WIELER to our ministry team! We've prayed with such a burden asking the Lord to send co-laborers to Botswana and we're humbled that He has led Ms. Pamela to join us. She is a veteran missionary of 15 years in Uganda working with orphans, Christian education, and assisting in every aspect of church planting. Lord willing she'll move here in January 2021. Please pray for her support level as she is currently on furlough/deputation. Pastor's often ask what more they can do to help us. Ms. Pamela is a seasoned, Spirit-filled, and tireless servant for Christ and an EXCEPTIONAL missionary. If you can support her ministry and expedite her arrival on the field it will help us to reach people in ways that –till now – we've only dreamed of. But the Lord knows how to make dreams come true, Amen?

Together in the harvest,
Mike, Cindy, and Emily

Please Pray for
