May – June 2020

Dear Pastors and Friends,

Warmest greetings! Hopefully our May – June letter finds each friend and co-laborer well and enjoying our Lord's richest blessings. We thank you for your good help as we try to help our overseas Brothers and Sisters in their spiritual growth. They are doing a great work and continue the outreach that Deborah and I started so many years ago. The reports that I receive from them are always good. Again, we thank you and we thank God for you!

In early January we received very encouragement letters about the many works in the South Pacific. They always ask for literature to distribute at outreach time. However, the Corona virus has now caused us many problems. Our literature suppliers here in the USA have stopped (or slowed down) their shipments to us and then to our overseas people. We have received no word from the Pacific since mid- January. Large numbers of the people (who are employed in the towns and send money to family) have gone back to the villages and sadly taken the virus with them. As you know – there are few doctors in the remote areas of the Papua New Guinea and Solomon Islands. I know that you pray for these dear people and we thank for your concern. Please continue!

As you know, all of our meetings are canceled and I have no idea when they might be restarted. So, if you are interested, please do contact me and we can give a (maybe) date to come.

My letter is short.

Again, we thank you and we thank God for you!

God bless the USA and make our country GREAT again.

The Smiths
