Dear Praying Pastors, Friends and Family,

Brenda and I would like to thank all of our supporters for your faithfulness, prayers and financial support this year! I thought at the beginning of the COVID -19 pandemic that our monthly financial support would suffer greatly. (O me of little faith) But, the Lord has been very good to us, providing all that has been needed each month. In this time of increasing ministry expense, the pandemic, civil unrest in the States, and an uncertain future world wide. God can be praised! The Lord is still answering prayer and He can be trusted. Phillipians 4:19

Also on June 15th restrictions were relaxed and we were able to hold church services up to 20 people with required precautions. Amen!

This is Dumitru, Mariana's dad. (She goes to our church and works in Tina's House). He had been closed to the Gospel for many years. When he was diagnosed as terminal last Fall he didn't want any visitors (Not even the Orthodox Priest). We had sent over a large basket of goodies, a Gospel tract and a note telling him that our church and staff were praying for him. He then made a connection on his own that some days his pain wasn't as bad and attributed it to us praying for him. He then allowed Mariana to start reading scripture to him and said he was now open for visitors, but then the lockdown came and it was against the law to meet in groups larger than 3, so the visit was denied. After the lockdown Mariana asked us to pray even more, she said her dad was now ready to hear about salvation and asked if Pastor Price could come visit him. Keith went on Easter Sunday afternoon and spoke with Dumitru about his soul. After sharing the plan of salvation from the book of Romans, Dumitru prayed and excepted Christ as his personal savior. Amen!

As a last request, he wanted to be able to seat outside, (He had been stuck in bed for 5 months) so we went to town and bought a wheel chair for the family to use to grant his last wish. He was so happy with tears of joy, to be able to just go outside. He went out everyday until his health would not allow it. At the writing of this letter Dumitru is confined to bed and in extreme pain. Please pray the Lord will take him home to Glory soon.

We recently took in a mother with a 2 year old little boy into Tina's House. They came with nothing as she was an abuse rescue. We had been on call 24/7 for the last few weeks waiting on her phone call to make her escape from an abusive relationship.

With help of several donations given quickly on their behalf. We were able to purchase, under garments, summer outfits and provide some needed medical care. **Thank You so much for your prayers and support for this young mother and child.**

Your prayers and support are so appreciated for us and the ministry here in Romania!

In Christ's Love,

Keith and Brenda Price
