July 2020

Hello Brethren,

We want to praise Him and thank Him for all He has done! Even in the midst of this Covid pandemic and rioting in the streets, God is still good! He has not changed. He is still on the throne, in complete control and He makes no mistakes. Proverbs 30:5 Every word of God is pure: he is a shield unto them that put their trust in him. I know Whom I have believed and I am still persuaded that He is able to do exceeding and abundantly above all we could ever ask or think! Bless His name!

Reymund and Grace Paculanang, our church planters in San Carlos, Philippines share the glorious news that as they have served faithfully in their area, the Lord has rewarded their work of faith and labor of love by moving upon the heart of a local landowner to donate a small piece of property to build a church! They immediately cleared the land once all the paperwork was completed and have built a small temporary meeting shed. Please pray that the Lord will continue to bless their efforts, providing the funds to build a permanent building, as well as building up the body of believers.

**Items for Intercession** – Please pray for our partner **mission work in China/North Korea**. Our church planter has been arrested for his missionary work and being harassed to turn in our American partners there. The Americans are safely in the US right now due to the pandemic. However, all three of our Chinese Korean partners are in serious danger. Please pray a hedge of protection around our workers there.

Please pray for the **financial needs**, not only for our family, as support is fluctuating during this time but for the ministries in Southeast Asia. One of our men had his only means of transportation stolen. He desperately needs help with that. Several of our churches were in building programs and the Covid situation has nearly brought all of that to a halt as many of our people are without work. Remember, **what is aggravation here is devastation there!** I know things are limited and difficult here, but we pray that you will faithfully do what you can, as the Lord leads. God bless!
