

THE MCKINNEY FAMILY

MISSIONARIES TO BOLIVIA SOUTH AMERICA

July / August 2020

Dear Prayer Partners and Supporters,

We are thankful to report that things are slowly beginning to return to normal here in Santa Cruz. Although we are still in quarantine, the rules have loosened quite a bit, and we can now drive and shop on any weekday. It is looking like weekend driving will be allowed starting in September, which would allow us to start attending church services in person! At this point it is unclear if children will be allowed to attend, but we are hopeful that we will be able to go to church as a family very soon.

Our Spanish classes have been going well, and we are learning a lot. Along with three days of classes per week, we have been able to have a lady from one of the churches come over to help us practice what we are learning. This past week, she taught Shera how to make one of our favorite Bolivian dishes called Sopa de Mani (peanut soup). She is great with children and the boys have enjoyed having someone to speak Spanish with them.

This past month, God provided us with a car to lease while we search for a vehicle to purchase. We are able to keep this car through December, but we would appreciate your prayers as we begin searching for the right vehicle for our family and ministry.

We were able to make a bit a progress this month on our paperwork. It is all lined up and ready to submit, but because of the quarantine, the office is very behind and it may be awhile before our application is able to be submitted. Please pray that God will help this process to go smoothly.

Your servants for Christ's sake,
