Dear Supporting Friends.

I greet you in the name of our Lord Jesus Christ. Hope all is well with you and the church family.

Happy to report my family and I are well and was able to stay Covid free likewise everyone else at the churches. The girls are growing up fast in our hands. Aasia is a little pray warrior and so is Ayla. We have our own church service with them since their age group are not yet allow to attend church. Anesta continues to work hard in the ministry.

Work have stayed back on the church building at Chantimelle after months of lockdown because of Covid. We are moving on steadily. We often face with setbacks due to rain. The rain can be considered light afflictions.

Most importantly since the reopening of church we have two souls saved and many visitors. Continue to pray for Bother Joseph Thomas who does the bulk of the preaching at Chantimelle. Please continue to pray that God would see this project to its end.

At Victory we have seen one soul saved since the reopening and several visitors. We were the first church in this area to organize and open its doors. I was that hungry for church once again. We are getting all our programs back up and running by the grace of God. Please continue to pray for us and for souls and Gods provisions. We have been having some great services we are missing the kids those from ten years and down they are not allowed by law. Looking forward to the end of those days.

Thanks again for your faithful support over the years and in these trying times. We highly appropriate it. Thanks to those who sent us love gifts for time to time. Thank you for your prayers it means so much to us.

Laborer's together,

Jeremy Scott
