Dear friends,

Thank you all for your faithful support financially as well as prayerfully. Of all that we could possibly need, prayer is at the top of the list.

I would like to take some time here to just brag on how good God is. God has everything under control, and I am reminded of what David said in Psalm 103:1 “Bless the Lord, O my soul: And all that is within me, bless His holy name.” I must praise and bless Him for His goodness to us because He has kept us safe and healthy as we’ve travelled. Even in the midst of a pandemic crisis that has caused churches to go to virtual services, social distances as well as cancel meetings, we have had more churches partner with us in the past 8 months than churches that cancelled meetings.

“Bless the Lord, O my soul: And all that is within me, bless His holy name.”

During this COVID pandemic, we had 11 or so meetings canceled which was frustrating and a bit discouraging. Through it all God has shown Himself to be very real to us. We had a host of churches partner with us, and we have been able to nearly replace all the meetings that were cancelled or rescheduled. In addition to that, we were able to spend some time with my folks after our amazing trip to Alaska

Over the next few months we will be travelling to Ohio, Pennsylvania, Colorado and Wyoming. Our schedule for the year still has a few openings, and we are trusting the Lord to fill those dates for us.

In August we were able to report to a couple of supporting churches as well as present and preach in virtual services. We are currently at our first Mission Conference since March which is exciting since it has been a while since we have had that opportunity. We are looking forward to seeing how God will work on our behalf.

The New Zealand election is currently set for October, and we would ask that you would diligently pray that the Conservative Party wins the election and that New Zealand will have a strong Conservative Prime Minister.

We are excited that after having several months where we were not able to have a meeting, we are back in full swing and we are going to be very busy through the end of the year.

We love each of you, and we appreciate your financial and prayer support. Please feel free to contact us with any prayer requests you may have. We would love to partner with you in prayer.
