Dear Pastor and Faithful Friends,

I am excited about the progress that is being made in the Filipino prisons. Things aren't as I would like them to be, but steps are being made to get the gospel behind the prison walls. Amen to that! The prisons are still closed to outsiders, but the officials are allowing gospel preaching DVD's that convey the message of hope and teachings from the Word of God. **Romans 10:17** *"So then faith cometh by hearing, and hearing by the word of God"*. The DVD's are provided by a local church, featuring their preaching and Sunday school hour.

These pictures have encouraged my heart. The attendance is stable and we are still able to minister to the inmates. Rock of Ages Ministries, because of your financial support, is able to provide rubbing alcohol and soap for the inmates. Although we can not enter the prisons, the guards are willing to distrustute these items. Not all of the prisons are allowing this distribution, but we're hopeful that what you see here will be implemented in all of our prisons as the COVID cases diminish.

These pictures are taken from the prisons in Pasay, Kalookan and Mandaluyong!
Please keep praying for the Philippines!
