

MISSIONARIES TO TOKYO, JAPAN
CHURCH PLANTING

THE KINOSHITA FAMILY

Dear Friends,

Fall 2020

SAFELY REOPEN

Our three children Charis, Christopher & Sarah have joyfully returned to schools for in-person classes.

Complying with government instruction to avoid “Three Cs” (Crowded places/Close-contact settings/Confined and enclosed spaces), City Baptist Church began offering 2 separate service time. During strict lockdown, we streamed online worship services. Now that we are able to restart meeting, those who found us online begin attending church as new comers.

In October we were finally able to participate in Lord’s Supper.

TOKYO BAY VIEW

CBC hosted church-wide hiking in July, on a specially established national holiday unique to this year for 2020 Tokyo Olympic opening. Focusing on sanitizing inside the rental bus, equipped with vinyl shields between families. Half of the hikers chose to ride the ropeways, and the rest of us completed 2-hour hike to the mountain top. After months of lockdowns, many members said they needed to workout, and enjoyed Bento (lunch box) fellowship. What a magnificent view of Tokyo Bay!

After the hike, we played Japanese classic, Watermelon Splitting at the beach (it is very similar to Mexican pinata).

CITY BAPTIST COLLEGE

City Baptist College offered a 12 week bible course class to our church members. It held twice a week, divided into morning and evening sessions. Currently, 3 couples and 6 singles are enrolled in the study. City Baptist College student who dedicated themselves to full time ministry, are now in their 3rd year of studying. We are both kept busy every day.

PING PONG MATCH

CBC rented 5 Table Tennis tables for September Ping Pong Match. From children to seniors, we had quite intense and fun games!

CBC ANNIVERSARY

Please pray about our 11/8 anniversary service, for the first time visitors, for people who are seeking answers in life, for new converts, and for those who are away from faith to come back to church. It is encouraging that Japanese government are allowing under 5,000 gatherings; we are ready for reaching out to the community.

We are praying for United States Presidential Election, and American churches to be protected from COVID-19 outbreaks. Thank you for all your love and support.

In Christ,

Nathan, Ruth, Charis, Christopher and Sarah Kinoshita
