## THE MCKITTRICK FAMILY

Enjoy Times Vol.47 Sept - Oct 2020

Dear Pastor, church and praying friend,

Thank you again for allowing us to be your missionaries to the US Military here in Tokyo. We really appreciate all the prayers and notes of encouragement we receive from you. I know we are here by the grace of God, in accordance to His will and supported by His church! We thank the good Lord for each of you!

We were out and about the last two months. In September, we had the chance to visit Yokosuka Baptist Church at Yokosuka Naval Base and filled in for Pastor Mike Pinson while he returned to the states for a short trip. I got to preach the services there on Sunday as well as see how the different military branches and bases are handling the covid safety measures. I believe the folks on the US Navy bases are required to be more careful. I know each installation commander has been given authority to make decisions as he/she sees fit. Please pray for our leaders during these uncertain times and uncharted waters.

I also made four trips to Haneda Airport in about two weeks helping missionaries get back to their respective works. For example, I drove their vehicle to the airport, met the missionary, gave them the keys to their vehicle and off they went. Haruna taught me how to catch the Haneda Airport Monorail train to the Hamatsucho station on the Yamanote Train Line. From there I rode to the Tokyo Train Station and changed trains to the Chuo Train Line and then rode back to our train stop: Ushihama. Getting around in the city is very different than getting around in rural Virginia!

In October, our good BIMI Military missionary friends, Bro. Ed and Mrs. Elvie Navato, came to Yokota to preach to our hearts concerning world-wide missions. We held a four-day conference and Bro. Navato did an excellent job. While the military members are stationed here we teach them about Faith Promise Missions giving and encourage them to get involved in the work of getting the gospel into all the world!

Every month we hold a Men' s Prayer Breakfast and Ladies Luncheon. During our Men' s Breakfast we have a devotion given by one of the men of the church. It is a great opportunity for them to study and prepare a short message for the other men. Bro. Zach did a great job in our October meeting. He encouraged us to do what we can do for the Lord while we can do it. What a blessing!

We finished off October with an outdoor Family Fall Festival. Our church folks did a great job. We had several little stations where kids could play games (like ring toss) and win candy. We had a cakewalk and six different soups on hand for attendees and passerby' s to try and enjoy. Several local Japanese families dropped by and really enjoyed the Festival. Each of them received a gospel tract and an invitation to our church services along with a ton of American candy! Please pray that we will see much fruit from this gospel outreach. Thank you again for all you do for us. We love you and thank God for you. May the Lord bless you.
