

The WRITSEL TO SPAIN Family

Acts 2:47 Praising God, and having favour with all the people.
And the Lord added to the church daily such as should be saved.

Dear Pastors, Church Members, Family and Friends,

October 2020

The Lord has kept us very busy during the month of October. We have enjoyed meeting new people and seeing God's hand as we travel during this trying time. We have been handing out tracts at every place we visit. Praying the Lord will provide the increase to the seed that is being sown.

Our first conference was in Orting, WA. This was attended by myself only, as it was cheaper for me to fly in then drive the whole family up. It was a tremendous blessing, meeting a new missionary and seeing some missionaries we have met during our journeys. I was able to present one night and preach a different night. Looking forward to seeing God work in this church.

When I returned home we were supposed to head out to Kansas the very next weekend but a covid outbreak canceled that meeting. We stayed home got some extra work done and then headed out the following weekend to a different part of Kansas.

We were with Heritage Baptist Church in Great Bend, KS. Wonderful church and people. We were blessed to fellowship with the Pastor and his family. Pray for them as they endeavor to increase as God provides.

We traveled north and attended Heritage Baptist Church in Lawrence, KS. We attended their Missions Conference and was kept busy with activities. This was a blessing for us because we had been not so active physically. I was given the opportunity to preach chapel, present in one of the nightly services, teach Sunday school, and teach a college class. We were also blessed to go door knocking on Saturday to help fill up the bus routes. We loved being in this atmosphere, it reminded us of being back in our home church.

From here our schedule changed a bit. We were supposed to spend the rest of the month in KS, but God presented an opportunity to participate in a three church missions conference in south FL. We moved our schedule around and headed south.

We attended Bethel Baptist Church in Lake Placid, FL on the Wednesday night. The Pastor and I had similar testimonies and blessed each other with encouragement. Thursday night we attended Maranatha Baptist Church in Wauchula, FL. Brenda was given the opportunity to teach some younger children, while I preached and presented. Great history at this church. Friday night was our "day off", we stayed "home" and relaxed by the lake. Saturday we attended a luncheon for all churches and missionaries. We had a Q&A session and was blessed to meet the other missionaries. We finished the conference at Independent Baptist Church in Sebring. Great love for missions and missionaries. We were blessed to get to know the Pastor and his family. Pray for all these churches to continue to increase where God directs them.

We finished our time in Florida by dropping in on Beacon Baptist Church in Jupiter, FL. They were having their missions emphasis Sunday. Dr Don Sisk was preaching, this was a welcome surprise. The Pastor asked me to tell a little about our ministry and pray for the service. We headed there for the purpose of meeting Bro and Mrs Velasquez's oldest daughter and her husband. I cannot express how blessed we were to spend time with them. They were on the field in Spain and had many great stories and tremendous advice.

Prayers: Van to continue keeping on, more supporting churches, Jereme and Cynthia and extra vehicle, Sarah for God's will concerning school, Homeschooling, Brenda for doctor's visits coming up.

Praise: Another supporting church added, Thank you Ward, AR.
