**November, 2, 2020**

Dear Pastor & Church Families,

We are thankful for the opportunity to report to what the Lord has been up to in our lives and the ministry he has placed us in. He has been very gracious to us and for that, we are thankful. My wife and I have been exceptionally busy in meetings since the first of October. They have led us to, NC, GA, AL, & LA. So far, every Sunday has been booked through the first Sunday in December. We Praise the Lord for opening doors.

However, we have had to cancel several meetings and a mission's conference due to getting sick while on the road. Though my wife has not been tested at this point, we believe she has had the virus. Whatever I contracted, lasted about two days, and was gone. So, for all safety reasons, we have come off the road for several weeks. Since being home, many of the families in our church have been plagued with the Corona virus. My Pastor, father, and middle daughter have been down with it, among many others.

Our nation is in desperate need for a divine intervention of God on our behalf. I know we do not deserve anything; all I know is to ask for mercy in the midst of judgement. We need God's mercy regarding:

1. This virus
2. The election

Due to schedules and of course the virus, as well as other things, the installation of the sheetrock in the building is moving slower than we had hoped. Pray with us, that the Lord would line all these things up in his time, so this phase of the building can be completed. We are ready to see the building project completed. It is all in the Lord's hands.

Thank you for your faithful involvement in the ministry of Fair Haven Home for Men. We could not do what we are doing without your help. Only Heaven will reveal the lives that have been touched and changed because of your sacrificial generosity. It does not go unnoticed!!

We apologize for the lateness of this letter. We would love to hear from you. Please feel free to call, text, or email at any time. Until next letter, may the Lord bless you is our prayer.

On a mission for men,

*Bro Phillip Willis & Family*
