Dear Friends in Christ,

We greet you in the precious name of our Lord and Saviour Jesus Christ.

First, we want to thank the Lord for protection. He has protected us from catching the Virus that has affected the whole world. We have been able to continue the Bible Studies in all the Houses weekly and have seen the men and ladies be encouraged from the Word of God. We had Revival at our home Church, Truth Missionary Baptist in October. Sunday thru Friday nights and there were 4 to 5 men that attended all the services and were very encouraged from the preaching of the Word of God. We have been able to continue taking a good number of them to the weekly Church Services as well. Please continue to pray for these precious brothers and sister in the Lord as we minister to them weekly.

Special prayer request: Our son Wes and his family have contacted the Covid 19 Virus and are very sick. Wes' wife's, Mom and Dad have the virus and her Dad has many other health problems as well and at present is in the hospital in serious condition. His name is Dell McCall and her mother is Barbara. We would appreciate your prayers for them as they are restricted to their homes. We are taking food to them as they need it.

As we look to Thanksgiving Day and Christmas holidays and we trust that each of you have a wonderful celebration with your families and friends. We are looking forward to celebrating it with family that will be able to attend because of the Virus. We are praying that the Lord will give each of you, our dear praying friends and Churches that support the ministry have a Glorious and wonderful Holiday. We are looking forward to the New Year and praying that we will see many souls saved as we continue to minister and do weekly Bible Studies to the these dear Men and Ladies in the Homes in Anderson County as well as take as many as we can to our Home Church, Truth Missionary Baptist in Greenville on Sundays and Wednesday.

Thank you for your prayers and faithful Monthly Support,
Bro. Randall and Sister Linda Jordan
