December 2020

Dear Church Family,

Greetings from East Tennessee. As I am sitting here writing this, I am amazed at how quickly this year has come and gone. It has been a different year for sure, but God is still working and for that we are so thankful! I was able to have a nice, low key, Thanksgiving with two of my kids and their families. I am planning on traveling to Florida to spend Christmas with my oldest daughter and her family. I am blessed that I will get to spend time with my whole family during the holidays at different times.

Corona Virus has changed so many things for us this year. I was supposed to go to Belize in August to visit Junior and Brandi McIntosh. I was so looking forward to this trip. We were planning on working with the ladies of their church there. We were planning to do some Bible Studies with them and just spend some time pampering them. We were also going to do a youth rally each night for the teens of their church. God had other plans and our trip has now been rescheduled for September of 2021. We are praying that the virus will be a thing of the past by then and that we will be able to go!

Back in July, Beacon celebrated 25 years of serving missionaries around the world. We were planning a nice celebration along side of our annual council meeting, but here again, God had other plans. This celebration has now been rescheduled for this July! God willing, these new plans will go off without a hitch!

Even though the virus has slowed things down around here a bit, we are blessed and encouraged that the ministry has not slowed down at all! Lord willing, we will be approving three new missionary families in January! God is still calling people even amid this pandemic! Praise the Lord!

In closing, I would like to take this opportunity to thank each one of you for your financial support as well as your prayers! I could not continue my ministry without each one of you! I also want to wish you all a very Merry Christmas and Happy New Year!

In Christ,
