Dear Praying Churches, Friends and Family,

Brenda and I would like to thank all of you for your faithfulness, prayers and financial support. The month of December was a very challenging one with Keith having COVID and was down in bed for almost 3 weeks. Our wood fire furnace overheated in the night and caused serious damage to the furnace. Also one of the heat pipes in the church ceiling burst and the ceiling and wood flooring will need replacing. The furnace and pipes are now repaired and the church room is next on the list. Amen!

"Tina's House" Beginnings - Little Ana was writing to me (Brenda) on What's Up and sent this picture (Left) of us together when she was only one year old and living with us. She is 16 years old now (Right). Love her to pieces and she still calls me Mama Brenda! **(Short History)** - Little Ana's mother had been raped several times by her mother's boyfriend and became pregnant. She was told by her mother to either get an abortion or abandoned the baby at the hospital, if not, do not return home. After giving birth to Little Ana she was all alone in the hospital with no place to go except on the street. That was when we heard about her plight and began providing them housing, food, clothing, and etc. They were our first case we had helped; little did we know that the Lord had much bigger plans. **"Tina's House"** ministry was born.

Brenda & Ana-16th Birthday

Meet Liliana, she had joined us on November 28th as a resident in Tina's House. She was 33 weeks pregnant and in need of a place to stay and help in learning life skills in parenthood. We were excited to have her come and prayed she would come to know the Lord and make good choices in the future for her and her baby. Sadly 1 day before Christmas she left the Center to return to the streets of Bucharest. Satan has such a powerful grip on these girls that we are constantly fighting to rescue. We did get word she gave birth to a health baby girl. Please pray for Liliana's salvation and for their health and safety.

CHURCH HARVEST PARTY 2020

Wonderful time of fellowship!

Our first get-together since March with 18 in attendance. We had lots of food, fun, games, with songs, a devotional, and prayer around the campfire! Darius and Matie's first time roasting marshmallows over a campfire! (Below)

Support Update: Since January 2020 we have seen the Lord provide miraculously, even in spite of the COVID pandemic, and social & political uncertainty worldwide. With your prayers and faithful support we were able to finish the year in the black and even have funds in the bank to begin 2021. Philippians 4:19 *"But my God shall supply all your need according to his riches in glory by Christ Jesus."*

Notice! As of January 4, 2021 with much prayer and consideration Missionaries Rick and Karie Beauchamp will not continue to work with us. As well as Grace Everlasting Association will no longer be their legal Romanian hosting organization. Please pray for them as they seek God's will in their lives and future endeavors.

Your prayers and support are so appreciated for us and the ministry here in Romania!

In Christ's Love,
Keith and Brenda Price
