Dear Praying Friends,

I am glad to report to you that even though things are looking gloomy in the political world, it is still glorious in the service of the King! His hand is not shortened that it cannot save. His ear has not deafened that He cannot hear our prayers. His eyes have not dimmed that He cannot watch over us as He always has, and His heart can still be touched with the feelings of our infirmities. Psalms 124:8 Our help is in the name of the LORD, who made heaven and earth. Bless His Holy Name!

Despite all the Covid restrictions around the world, our ministries are still faithfully doing the work the Lord has called us to do. In Myanmar, most of our Pastors and their wives have still been effectively communicating the Gospel from house to house, as gatherings are limited to only a small group. The Lord promised that His Word would not return void. Burmese Buddhists are still being saved and following the Lord in believer's baptism!

We want to praise the Lord for providing needs as well. We were able to secure transportation for two of our Pastors since our last letter as well as making great progress on building projects.

May the Lord bless you as you serve Him faithfully and continue to hold the ropes for us! Together, we are making a difference in Southeast Asia!
