"What profit is it..."

These words were spoken to the carnal Jews, the proud pharisees who Which produced hard thoughts and words against God. After long labor and faithful serving, we are tempted to look at the prosperity of the wicked. Psalms 73 In a dark tried, tempted and deserted hour when we see the proud ranting and reveling of today, we are apt to look upon them and question if they are happier than we are. If we are not careful, the deeds of the ungodly today will weaken our faith as we see them rise to power and flourish. This was the experience of David, Job, Aspaph, and the profits. As seen in the text, "What profit is it that we have kept His ordinances, and that we have walked mournfully before the Lord of hosts?" Malachi 3:14. May we humble ourselves before the Lord and be ashamed of any unbelieving thoughts of God. While walking mournfully in deep humiliation before Him, but yet looking to a promise keeping God through Christ, trusting His precious grace and promises which are in Him and through the power of the Holy Spirit to receive freely of the fulness of Jesus' love and salvation. "What profit is it..." The answer is, ETERNAL LIFE through Him!

Pictured here is a Cambodian mother and her daughter, Chann who came to Canada as many do seeking a better life, but found on the street in hearing the amazing how a joy they now an Iranian man place of

the same oppression in their hearts until hearing the gospel being preached Toronto. God arrested their heart and got their attention for one hour. After message of the gospel, they came forward and asked how to be saved. It is the gospel opens dark hearts. They both trusted Christ for salvation and what experience. You can see the joy on their faces. We ask you to keep Primo, pictured here, in your prayers. He was considering suicide since coming to a believing there was no God. He had always trusted in science for hope. His questions were a denial of God. After sharing the gospel with him for more than four hours, the Lord brought him under the conviction of sin and gloriously saved him that night. What a great testimony of conversion he has. He came to church the following Sunday, bringing his friends with him and now enjoys going out on the streets, witnessing for Christ.

Pictured here is a faithful brother; Walter on right with an Italian friend, Giovanni. This precious man recently passed away and went home to be with the Lord. Praise God, he was saved a few months ago and gave a true witness of salvation after being saved from a life of being in and out of prison, drugs and living homeless on the streets of Toronto. Thank God, he now has an ETERNAL home!!

Aharon pictured here is a Jewish man that is seemingly open to the gospel. We witness in the second largest Jewish community in North America once a week. Please pray for this precious man, that God may open his eyes to except Christ as his true Messiah and Lord. Also, pray that God may give us wisdom to witness effectively to these dear people. There are hundreds of Jews walking on the streets as we go out each week. Part of their tradition is to go out and be open and friendly to people that they meet on the streets. We ask you to pray for God's blessing on this ministry.

The street ministry is stronger that it ever has been, in spite of the Covid lockdowns. We still have liberty to preach the Word, hand out tracts, sing and witness even though we do face opposition and harassment on the streets. We have seen many come to Christ as a fruit of this ministry. Please continue to pray that God may give us boldness to proclaim the gospel. It seems that every week, we have the OPP (police) to show up, saying they received a complaint about us but so far, they have not given us any citations. How encouraging it is, to see the large crowds of people that video, stand and listen and ask questions and even ask for a copy of the Word of God which they have never had. They stop at the red lights and listen while waiting for the light to change. Even some of them ask for a bible. It is a blessing to see what God is doing in so many hearts here in Toronto.

We continue to need good gospel message gospel tracts, such as Chick Tracts. Especially the one called "This Is Your Life" is a very well accepted tract. We can also use more bibles since we give out so many to those who have never had copy of the Word of God. The Catholic Church has done a good job of keeping the Word of God from the people.

God bless those of you who have labored so faithfully with us through the years of this ministry. We pray that God will continue to bless your ministry and keep you safe during this New Year. We gratefully appreciate all of the Christmas messages and gifts sent our way.

Because of Calvary,

John & Deborah
