

The WRITSEL TO SPAIN Family

Acts 2:47 Praising God, and having favour with all the people.
And the Lord added to the church daily such as should be saved.

Dear Pastors, Church Members, Family and Friends,

January 2021

This is the year! Spain here we come. Happy New Year to everyone!

We finished the 2020 year with a bang. The Lord truly blessed our deputation journey this past year. We began the year at 25% of our support and ended the year at 61%, praise and glory all goes to the Lord.

Our travels continued on the east coast. My last letter had us in WV. Praise the Lord the church in Gypsy emailed us about two weeks later and took us on for support.

We then presented at our host church Wed night. Wonderful spirit and such liberty to preach. I enjoyed fellowshiping with the pastor. My wife was able to help the ladies decorate for their upcoming ladies meeting. My children enjoyed having fun with the pastor's children and SNOW!! This was a great blessing to my kids. Looking forward to partnering with Faith Baptist Church in the future.

From WV we traveled to SC to stay at a pastor's home. The Hanks family provided us a wonderful oasis - food, fellowship and fun, we needed this visit. That night Pastor Hanks invited us to come back and present later in the year. We look forward to meeting all the church family.

Our next stop was FL. Snow to Sun! We stayed at Central Baptist Church in Ocala. We love this supporting church. As we crossed paths with folks here we were blessed to hear how they were praying and keeping track of our travels. They blessed us tremendously. We were able to attend some ballgames and their Christmas cantata. We attended services on Wed. night and were blessed financially by the church. It was exactly on time. While in Ocala we also dropped in on a church and were blessed by the SS lesson and the message given.

We presented in Dunnellon, FL, at Riverland Baptist Church - wonderful spirit, loves missions. The missions director invited us to check out a local park that week also. What a blessing! Looking forward to God's leading at this church.

Our last meeting for the year was at Abundant Harvest Baptist Church in Kingsland, GA. When I spoke to the pastor about a meeting, He was very excited about us going to Spain. He and his wife had visited several times and loved the country. We attended SS and then I presented and preached the AM service. They took us on for support right after! Huge blessing, not only supporting us, but the financial blessing was overwhelming. After church, the pastor and his wife took us to a local island and we did some beach combing. We had a wonderful time of food and fellowship with this couple.

We made it home in time for Christmas with the whole family. My son and his wife prepared the dinner and it was amazing. The last day of the year we had a special service at our home church. Andrew and I were given the opportunity to preach for about 5 min each. What a blessing to share the pulpit with my son.

I would like to say thank you to everyone who gave a little extra this year. Every time we had a larger than normal financial need, God used you to fill it. Many gave extra for Christmas also, we cannot thank you enough for showing your love to our family.

Prayers: To be done in 2021!!; borders of Spain would open up to all and restrictions would lessen; Brenda's dad for salvation; homeschooling; traveling mercies

Praise: 2 new supporting partners, thank you Gypsy, WV, and Kingsland, GA.
