Psalms 27:14 “Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD.”

We want to thank everyone who continues to lift us up in prayer. We have been very busy while we continue to wait on the Lord. The Mongolian border continues to be closed for us to return. It is unclear when the Mongolian government will open the border. We are praying to return this summer. God’s will and His timing are always best.

We have been visiting many churches presenting and updating our ministry in Mongolia. God has blessed our travels in many ways. He has provided every need and protected all the way. It has been good to meet new people and reacquaint with those who have partnered with us. Please contact us if you would like to have us come and give an update. You can also find our ministry update video on our website. I continue to do a weekly Sunday school video for our college & career class (Spiritual Warriors) in Mongolia. I have also been able to teach a few class sessions this semester for our Bible College there.

The ministries there continue to move forward. The church and Bible college have not been able to meet in person consistently. The restrictions continue to stay in place for group gatherings. The church and Sunday school classes are meeting online and through videos. The college continues to meet online. This semester has been difficult. Some of our students and their families have had some physical needs. The Devil desires to discourage our students and staff. Please pray for them. God continues to provide for the translating, publishing, and printing of materials. Please pray for wisdom. Also, pray for our ministry partners and the Mongolian Christians to not become discouraged as they navigate these many obstacles.

Getting the camp property ready is our next focus. We are planning to hold two camps this summer. We will have a teen camp and a Spiritual Warriors (college/career) camp. We need a fence put up, a well drilled, and a meeting structure constructed. Please pray for God to provide for this first phase of preparation.

We are very thankful for your continued prayer and support while we continue to serve and wait in the Lord.
