December 2020 – February 2021

Dear friends in Christ,

Linda and I greet you as we begin a new year of serving our Precious Lord and Saviour, Jesus Christ. We are so thankful for the ministry HE has given us to minister to these precious people that our love, prayers, and spiritual support weekly in Bible Studies. It was so sad that we had to stop the studies after the first week of December because Linda and I tested positive for the COVID-19 virus Dec 10th. We were able to continue to get food for the 5 houses and left it at the front door after our 10 days quarantine period. We were able to keep in touch with them by phone as well as keeping them in our daily prayers. We were also saddened to hear that 2 of the men died from the Covid-19 virus during this time.

We were not able to spend time with the family during the Christmas Holiday, which was a sad time for us, but we were able to all spend time together on New Year's Day to celebrate and have a delicious meal and exchange gifts.

We have been studying in the Book of Revelation in the homes and many have expressed that they have never heard anything like this before, so we are praying we will see more souls saved this new year for God's glory. We are praying that we will be able to start the Bible Studies again the first week of March, if no one else comes down with the Virus. Please pray that the Lord will use me to teach with Clarity that the men and ladies will understand and continue to ask questions that they may grow in the grace and knowledge of our Lord and Saviour.

Linda and I trust the Lord will continue to bless each of you greatly in this new year.

We thank each of you so much for your faithful prayers, monthly support, as well as Christmas gifts. Until our next Update letter may God richly bless each of you in a SPECIAL WAY!!

In Service for the King of Kings,
Brother Randall & Sister Linda Jordan
