BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

☺ This is Sunday, March 14th. The picture on the right was from this morning, at our first service since mid-January. As you can see, the building is almost full. In fact, I'm going to have to ask our people to please not invite visitors. We were just three short of our permitted COVID limit of 73.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

☺ In the middle, I am enjoying a meal with one of our men. Right beside this, Mimi is having a Bible study with two good friends.

☺ On the left is another picture from this morning, in which I incorporated various ones for testimonies, readings, and prayers into the service. The forced usage of masks is a bit annoying for everyone, so rotating many of the growing believers through various forms of spiritual service, helps with the overall mood! José Acosta is giving a testimony on the far left.

☺ One thing is for sure: everyone was so eager and happy to be back in services again!
