Dear faithful pastor and church brethren,

We trust that you had a fruitful and blessed Christmas and New Year with your loved ones renewing your commitment for the Lord's work. We thank God for you all and making mention of you in our prayers. We do appreciate for standing with us in reaching the lost people in Myanmar.

The Lord's work continues to progress though Satan tries to stop us through various means. And we could not do much outreach and evangelism in the past month especially during Christmas season as we wished due to Covid19 restrictions. But we thank God for the opportunities that He had granted to us to do what we could for furtherance of the Gospel.

Praise God that we were able to hold Christmas celebration at three different locations in spite of Covid19. The Lord enabled us to share the Gospel and show His love by giving presents to those who came. And we were also able to make some contacts. And now we continue to conduct Bible studies at four new homes every week as the result. Pray with us that these families would understand and accept Christ as their Savior and Lord.

Praise God for saving two young people with whom we are now learning about following Christ through water baptism. God willing, we are going to have baptismal service by the end of this month. Pray that they will grow in the Lord and the knowledge of our Lord and Savior Jesus Christ. **Praise God** for giving me the opportunity to share God's word to youth conference via zoom meeting.

Pray for our country as we face political and social upheaval. People have been making protest against the military coup that seized power since last February 1. Many people were injured, imprisoned, and killed due to protest against the dictatorship. Banks, schools, government offices and many businesses are closed and the situation is getting worse every day. We cannot depend on police and army to protect us. We, the people, have to protect ourselves. Internet connection is very slow and is cut off eight hours a day (1:00 am–9:00 am). May God's will be done as He is Sovereign.

Pray for divine wisdom and strength to minister to both believers and unbelievers during this difficult time that believers will be strengthened and more souls will be saved.

*Your co-laborers for souls,
Abraham, Deborah, Nathan and Jerusha*
