## Missionaries to New Brunswick, French Speaking Canada

March 2021

Dear Pastor and Church Family,

As we approach the celebration of our Lord's resurrection, I am reminded about what the Bible says in Philippians 3:10: *"That I may know Him, and the power of His resurrection...."* The resurrection of our Lord and Savior Jesus Christ is truly the center of all history, as it is the most powerful event to ever take place. I am thankful for what the power of the resurrection means in my own life and the life of my family. Our desire is that others will come to know Him and the power of His resurrection in their lives.

We are in the process of organizing a special Easter service and have handed out many invitations. All of the people that we have invited we know already, and most have said that they will come. We are excited about the response! Please pray as we present the Gospel message through hymns and the preaching of His Word. Of course, as good Baptists, we will have a meal afterwards. We are praying that we will still be in the yellow phase of COVID in order to go ahead with plans.

I was able to write a tract in French, which I use as an invitation to our church, and it has the plan of salvation as well. We need to develop another tract and are praying about that. It is a blessing to have something that is personalized.

Praise the Lord for a young man who has been coming to church faithfully for the past several months. Our son Justin has been a good friend to Connor and we know his family well. His mother said that the whole family will try to come for our special service. Please pray for Connor's salvation as well as for the whole family. We can see the Lord working in the lives of several people right now and are grateful for the opportunities to be a witness. Please pray for Maurel's salvation as well as for major health issues. He has battled cancer and the doctor did not like something they saw at his last checkup. He is more open now to the Gospel, and I am praying that he will accept Christ. Please pray for his wife, Monique, who is saved and faithful in church. She found out that her skin cancer has returned and the diagnosis doesn't look good.

We had a surprise visit in Sunday School last week from a girl who hasn't been able to come for a while. We are thankful that her father, who is of a different religion, allowed her to come again!!! We gave her a Bible and she said that she and her mother have been reading it together. What a blessing!! Sometimes we do not see it, but the Lord is always working behind the scenes in the hearts of people. God is good!

When we first arrived in St-Quentin, Isaac, Justin and I joined the Kachi Judo club. Five years later, Justin and I were able to get our black belts and Isaac earned his brown before leaving for college. This has opened many doors for us to be a witness in the community here, as well as in competitions in other towns. Recently I have been able to help our coach in leading practice, which is opening even more doors with parents and athletes. We have always prayed that the Lord would give us an inroad to be able to witness to people on a personal basis. Connor and his family is one example of an open door, and we are thankful for what the Lord is doing.

Jennifer and I covet your continued prayers for our family. By the Lord's grace, everyone is doing well and is in good health. Jimmy and Lianna are travelling on deputation, Nathan and Rachel are serving the Lord in Wyoming, Isaac and Justin are in Bible college and Brian will graduate from Bible college in May. We are proud of him and thankful for those who have invested in his training.

Thank you for your faithful prayers and support. We are blessed to be able to serve a risen Savior!

In Christ,

  
Dan Post
