Dear Friends,

Again we want to thank you very much for all you do for missionaries, ministries and all mission projects. Missions is the heart of Jesus and I believe we can't do enough. The souls of men are at stake and we must do all that we can while we can. As you know I have been locked out of the prison due to the china virus. It has been 13 months since I have been able to preach and teach to the inmates. I am grieved that I can't get in to be with the inmates. I really don't know when I will be able to once again enter the prison. All prison ministries have been severely hindered. I am in contact with the prison from time to time and they have assured me that when the restrictions are relaxed I will be able to enter again. Thank you for your continued prayers in this matter.

As I have told you I am busy working in the Fair Haven Home for Men. I work with them each day teaching classes, witnessing and counseling the men. I am also involved helping build the new facility which should open before the end of this year. It will be a nice facility that will be able to house up to 20 men. This is a desperately needed ministry. Many men are addicted to drugs and alcohol. Many are husbands and fathers and their addictions have broken up their families. We just had a man (Caleb) graduate from the program after 3 months. He was addicted to drugs and had been in and out of jail throughout 2020. He came to us in December and was released on Feb.28, 2021. His family was here to see him receive his certificate of completion. It was such a blessing. During his time with us he got right with the Lord and did everything required for the program. We believe now that he is released from the program he will be serving Jesus and doing the things the Lord requires for him to do to be the Christian, husband, and father that he wants to be. His whole family was so pleased with his performance here at the Fair Haven Home for Men. This family has been put back together, PRAISE THE LORD! **If you know someone who needs this kind of help please call Bro. Jeff Krontz at 843-749-9622. He is the director of Fair Haven. He will do all he can to help.**

Again thank you so much for all you have done and are doing to pray for us and to keep us supported as we keep on for the Lord Jesus Christ.

In Jesus name,

Bro. Lance and Sister Elyne Neal
