March 10, 2021

Dear Pastor & Church Families,

Hello to all of you, once again. Hard to believe it is time to write the second prayer letter of 2021. Our hearts desire and prayer are that all of you are doing well. Hopefully by now, the covid virus has passed and you are on the road to a new normal. Our heart and prayers go out to those who are still dealing with the virus and the loss it has caused. We are asking the Lord for a speedy and wholesome recovery.

We have been asking you to pray the Lord would open doors for meetings. Just want you to know, He is answering your prayers. Our schedule began filling up back in October and run through the very last Sunday of the year. January started a little slow, which is normal. It's continued to build slowly but surely. We certainly do miss being in our home church on Sundays, but we are grateful for all the doors the Lord has opened for us and is continuing to open.

So far as the building goes, the sheetrock is in, it is being taped and mudded while we are writing this letter. Then painting will be started. All of this, thanks to the Lord, has all been paid. Next part of the process will be flooring. Then we need furniture, and kitchen appliances etc.

We are rejoicing three new churches have taken our family on for financial support recently. We want you to know, we appreciate you partnering with us in trying to reach men for Christ. We also want to express our appreciation again to those sent us extra support and love offerings to help us through the shutdown.

As it stands right now, our personal support stands at 65%. Please pray these meetings we have been in, as well as the ones we are going to will get the rest of our support raised soon. That will free us up to focus on the support for the home, as well as raising the finances for the building project.

We praise the Lord for what He has done, is doing, and will do in the coming days in our lives, as well as the ministry of Fair Haven Home for Men. Thank you for taking the time to read our letter. We would love to hear from you as well.

Until next time, May the Lord bless you in your service for Him.

On a mission for men,

Bro Phillip Willis & Family
