April 2021

Spring greetings from Korea!

We are praising the Lord's goodness in allowing us to continue the ministry in Paju, Korea despite the Covid pandemic. **Thanks to each of you for reaching out** weekly and letting us know that you are praying for us here. Mars Hill Baptist Church family resumed to meeting in-person at church about a month ago. **Weekly mid-week service and**

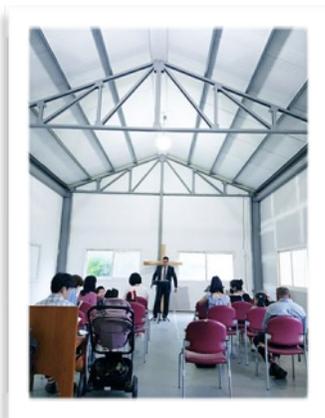

ladies' Friday Bible study, however, continue to be held online due to government restrictions.

A lady church member **accepted Christ as her Savior** a few years back through the ministry of MHBC and we had been praying day and night for her husband's salvation. He recently told her of **his decision to attend MHBC** once a month!

God is working in his heart. His five year-old son was so happy to be sitting with his Daddy in church.

Another unsaved spouse of a faithful church member made her visit to church a few weeks ago. She attends once every few months. Rose had spent a year with her studying the Word of God every week. She has **still not made the decision to accept Christ** as Savior. She recently had a 2nd baby girl and is currently home. Please keep praying for the two salvation decisions to be made soon.

Brandon injured his left Achilles' heel about seven weeks ago and was on the mend, when he slipped on his crutches and fell on the same injured ankle, **re-rupturing the Achilles' heel again**. Tests revealed that he will need to continue the use of his crutches for another several more weeks. Please **pray for quick healing and uplifted spirits** for Brandon in the coming days.

Lauren (18), Lyndsy (14), and Lilyanne (8) are continuing their spring semester of school. **Lilyanne recently had a rare opportunity to share Christ with a Catholic friend (8)**, but when her devout Catholic Mother found out, she viciously accused Lilyanne of bullying her daughter. It was a learning experience for Lily, but it did not seem to have fazed her too much. She resumed with her "outreach responsibilities" the next day without missing a beat!

Lauren and Lyndsy continue to minister weekly at church through their God-given gifts of music via the violin, piano, and the cello. We are so blessed to **serve the Lord together** as a family in Paju, Korea.

We want to **personally thank each of you for your undying love, prayers, and financial support** for our family and ministry in Paju. Please continue to pray that the Korean government would ease up on the Covid regulations especially for our church-related activities.

Humbled to serve the Lord in Paju, Korea,

The Song Family

Brandon, Rose, Lauren, Lyndsy, and Lilyanne
