

The Leonards

serving
in Fiji

March/April 2021

Bula! From the Leonard family!

In March, we were able to continue with our Youth Night activities. This time we moved it to Pastor Jonathan's home. This allowed for more of the neighborhood children to attend. We had over 15 children of various ages in attendance. I was able to bring a short devotional on salvation before we broke up into groups to play games. The children enjoyed munching on popcorn while playing Uno, Battleship and memory games.

Towards the end of March, our family was able to take a week long survey trip to the third largest island of Taveuni. One purpose of the trip was to look into some of the housing options available. Housing on Taveuni can be difficult to find as there is only a limited place for non-Fijians to rent or buy. Most of these options can also be quit expensive. We also wanted to survey and pray over the different areas of the island to determine the best place to begin a work. This trip allowed us to make some connections with people and inquire on a few potential houses. We began planning another trip to Taveuni in May to meet with some contacts we made and finalize housing. Unfortunately, because of Covid restrictions the trip has been postponed. Please pray for us as we seek God's guidance in this move.

After over a year of Fiji being COVID-19 free in general public, we are now dealing with a new outbreak of Covid. The Government has asked everyone to stay home, wear masks, and social distance. In addition, the Government has closed all non-essential business, including churches. As of April 20, we have not been able to meet at the church. Pray for Pastor Jonathan and me as we continue to be a witness in Savusavu even under these restrictions.

In Prayer for Fiji.

Robbie & Amanda Leonard
