

# WAFFS MISSIONARIES SPANISH SPEAKING PEOPLE IN HAMPTON ROADS

MAY 2021

Dear Friends in Christ:

I apologize for this newsletter not going out on time. On March 20, 2021, my brother Henry went to be with the Lord. I was asked to help handle the funeral arrangements and to hold the service. The day before the funeral I was at the funeral home making sure all was going according to plans. As I was leaving I tripped on something and fell across the cement slab in front of my car fracturing my left hip and left femur. The next day I had surgery which went well. I was sent home for physical therapy and was doing well until my left foot became swollen and infected. I was back in the hospital for five more days having antibiotic through an IV. I am at home now waiting to start physical therapy again. Please pray that I will heal fast.

We have our tickets for a trip to Bolivia for the last of June and part of July. The churches in La Paz, Bolivia, are making plans. One of the plans is for Nancy to hold a ladies conference. We also plan to spend a few days in Santa Cruz, Bolivia, with our grandson, Jacob McKinney and his family. All these plans are in God's hand because He knows what is best.

The ministry here is growing slowly, we have new folks in the services. During my accident, Brother Marcos Garcia has been able to cover for me. My son Eliot has also been a great help driving the van and picking up those who need a ride. The pictures that you will see are before my accident.

Some of the men are very faithful. Yes, they need a lot of prayer. They are far from home and living in places that are not very clean. They are hard workers with most sending funds back home to help their family.

Thank each of you for your prayer and support, you have been very faithful for a long time. As we get older we feel the need to be praying more and have folk holding us up in prayer. You folks have been doing a wonderful job. Yes, we do pray for you.
