The Power of Prayer!

Jeremiah 33:3, Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.

It was about 12 years ago that I began to evaluate my own spiritual success in praying. I personally went through the Bible on the subject of prayer and researched various commentaries. I wanted to know how great Preachers of the past had the attention of Heaven or the ear of God.

I remember going to Washington, Georgia to visit the memorial house of the late Edward M. Bounds. I asked the attendant where did he pray. I went to that room and there I asked the Lord to teach me how to pray.

It has been almost 12 years ago that I prayed that prayer. I then started a prayer journal recording and dating my petitions prayed before the Lord. I have over 100 Bible verses I use in my personal praying.

I weekly look back through my prayer journal and reflect upon all the prayers that the Lord has answered. I have greater faith looking at the achievements of faith.

I was told that George Muller read the Bible over 200 times. I try to personally read the Old Testament once a year and the New Testament 4 times a year. I know this increases my faith.

To date IBOM has 480 Church plants worldwide. We only need to start 20 new church plants to reach the goal of 500. I am praying this will be accomplished this year.

IBOM has 196 church plants located in Kenya and Uganda Africa. We are planning to start 4 new church plants by the end of May. We will then have reached the goal of 200 church plants which includes our grandchildren church plants. Our indigenous church plants are starting new churches. We have a few great grandchildren church plants.

This year, IBOM has started the new church plants located in Ekeru, Lubanga, Kenya and Nakhabwv, Uganda. We are planning to start new church plants located in Chakol, Kocholia, Shekunya, Kenya in April or May. Later, IBOM will start the new church plants in Bumwangu, Bungati,

Maanga, Lubanga, Uganda and Lukolis, Kenya.

In April, Dr. Ekakol is planning a dedication service for the completed church buildings located in Bumushiso, Nasyanda, and Lwandubi Uganda. I will send new pictures asap.

He is working on completing the church building projects located in Nabwere, Bumeru and Bunyinja Uganda. I will keep you updated on the progress. The border in Uganda remains closed regarding the Covid 19 restrictions.

The Church buildings located in Okisimo, Nambale, Atapar and Rianagongo, Kenya are completed. They will soon have the dedication service in Rianagongo, Kenya.

We are presently working on purchasing land and building the church building located in Junction, Kenya. Our next project is located in Amoni, Kenya.

After these are completed we will start on the church building projects located in Ugunja, Lukhuna, Namatotoa, Ekeru, Lubanga, Kocholia, Chakol, Shekuya, Lukolis, Kenya and Saango, Nakhabuuv, Buwasu, Bumwanqu, Bungati, Maanga and Lubanga, Uganda.

When all these are built IBOM will have a total of 100 completed Church building projects. If each of these average 100 in attendance on a Sunday service that would be 10,000 people coming to Church on Sunday. Glory. Just think of all the lost souls to be saved.

The #9 IBOM Bible Container was loaded on March 17, at Bible & Literature Missionary Foundation located in Shelbyville, Tenn. Please pray for the safe arrival of the 24,312 KJV whole English Bibles, 16,300 KJV English New Testaments, 540K English Gospel tracts, 100 KJV Old Scofield study Bibles, 424 Bible commentaries and 1 Bible Exhibit on History of the KJV Bible for IBOM Kenya and Uganda ministry. The Container should arrive in May. Please pray for the \$14K needed for #10 Bible container for 2022.

We need to raise \$60K estimated for the future Nairobi Outreach Baptist Church building. We need to raise \$6,500 for the Amukura Outreach Baptist Church land and building extension and \$5,000 for the Daho Outreach Baptist Church land and building extension.

Thank you for your faith, prayers and financial help. We are co-partners together.
