

Acree Update, August 2021

A Chronicle of the Acree family in Sunyani, Ghana

Dear Praying Friends,

The Ministry: Thank you, all, for your prayers for our transition to the United States! With negative COVID test results in hand, we boarded a flight heading for America and all of our suitcases ended up arriving with us.

During the month of July, we were allowed to stay in the missions house of Victory Baptist Church in Whiteland, Indiana. From there, we reported to several churches in Illinois and Indiana including Grace Baptist Church of Taylorville, IL, LaGrange Baptist Church of LaGrange, IN, and Southeast Baptist Tabernacle of Indianapolis, IN. These were great meetings and a joy to visit.

The ministry in Ghana continues during our absence. We have heard good reports from Pastor Rexford regarding the transportation of our church members to Fundamental Baptist Church in Fiapre. Any time there is a big change like this, a pastor cannot help but wonder how it will affect his flock, but those that were faithful before we left are still being faithful now. We praise the Lord for that.

The Family: While in Indiana, we were able to spend some time with Melissa's parents and brother. Since Ghana does not have much by way of vacation destinations, we save up and splurge when we come stateside. We went with Melissa's brother to the county fair, and later in the month, met Melissa's father and my parents at the Creation Museum and Ark Encounter.

At the beginning of August, we moved from Indiana to where our sending church is so that we could put our children in a Christian school and give Melissa a 'furlough' from homeschooling. We will be using Georgia as a base of operations as we report to surrounding churches.

We are also taking this time to try to meet with doctors about Melissa's health. So far she has had some testing done and engaged in telephone visits. Recently, she received a referral to a specialist, but moving from Africa to Indiana to Georgia and changes in insurance providers has set us back and drawn out this process. Please continue to pray for Melissa's undiagnosed health issues.

Thank you for your continued prayers and support,
Seth Acree & family

Praises:

- Negative COVID tests and arrival in America.
- Great meetings so far.
- Some generous donations that met financial needs.

Prayer Requests:

- Melissa's health and a proper diagnosis.
- Some homesickness (for Ghana) with some of the children.
