BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

☉ We are happy to see that God's work in the Goierri church continues strong in spite of the Covid restrictions. Though everyone has to wear masks, the services are well attended and many are growing in the Lord. We baptized three in early August and hope to baptize several more in the month of October.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

☉ Middle right: On Aug 16, our son, Mark, and his friend, Aaron, finished their 209-mile Bigfoot race, in Oregon, after 83 hours of running. Mimi was there, visiting my parents in Washington and joining her dad and Mark's fiancée, Andrea, at the finish line! In the pic they are visiting Snoqualmie Falls a few days before Mark finished.

☉ Middle: I tested positive for Covid on Aug 26, and both Mimi and I had to quarantine for 10 days. I was confined to the living room, so we moved the piano to the entrance so she could continue to play! It had been begging for a tuning so I got that done before retiring to the LR for the designated amount of time. I am pretty much over it now, and both of us are back to a regular schedule.

☉ Left: Last week we were able to publish this book of 31 devotionals from the Pentateuch. It is our prayer that it will be a valuable tool for the believers in our ministry here as well as for Spanish Christians wherever they are.
