

Grace Everlasting Romania

Missionaries Keith & Brenda Price

September 2021

Dear Praying Churches, Friends and Family,

We would like to thank all of our partners for your faithfulness, prayers, and financial support. Since our last newsletter we have had many blessing and challenges. 1) We received enough funds to purchase a newer ministry van. 2) "Tina's House" was able to help 5 destitute mothers and their children while sharing God's love and hope of salvation in Jesus Christ. 3) An employee that was trying to close "Tina's House" was finally dismissed without a long drawn out legal battle.

Grace Baptist Church - We are continuing our Sunday service with around 8 to 10 in attendance during the summer season. Summer is always a difficult time as folks leave to find summer work in other areas and countries, but we are thankful for the ones that have stayed faithful. It was a special blessing to have Mariana come even though she had broken her foot and sing a special with her daughter and grandson. *-Left-*

Children's Day in Romania - 100% chance of rain, but we were daring and took the Mothers and kids to a playground and lake for a few hours. Only began to rain as we were leaving. Then back to "Tina's House" for a pizza party and games. *- Right-*

Your gifts making a difference - The Lord has blessed us with a newer ministry van (2019, 9 passenger, diesel, 9 speed automatic, with 29,000 miles). We had enough funds come in to cover the cost of the van, taxes, plates, and insurance. (\$29,800.00) It drives great, the staff and mothers love it. Thank you for your prayers and generosity.

For the last 15 years we have been heating our buildings (10,000 sq. ft.) with fire wood which is very labor intensive. Most villages here in Romania do not have access to natural gas including ours, and so heat with wood. Pictured *-right-* is our new pellet furnace, after installation it will be able to run for up to **3 days** before needing to be refilled with wood pellets, while our old furnace which needed to be refilled every **4 hours**. We are so excited for this long overdue upgrade.

Prayer Requests:

1. Wisdom and strength for us and our staff.
2. The salvation of the Romanian people.
3. Church growth - spirituality and in number.
4. To help rescue more destitute mothers & their babies in crisis .
5. Special gifts and offerings to finish 2021 in the black.
