

The Kerr Family

Missionaries to Zambia, Africa 

February - March 2024

Dear Pastor & Friends,

We hope you had a great Resurrection Sunday! We had the opportunity to travel home and spend a few days with family during this time. It was very refreshing and nice to relax for a few days. We are now back on the road after our week off and have many upcoming meetings over the next couple of months.

At this time, we have raised 72% of our support and look forward to watching God provide the remainder of our support. In February, God allowed us to come across a truck that another missionary in Zambia was selling. After learning more about the vehicle, we purchased it from him. God has provided in such an amazing way.

As we travel across the United States we get the opportunity to meet old friends and make new ones. This has been a blessing as we travel.

Throughout our past two letters we have had our van break down and get fixed. Once again, our van broke down. This time in Ohio. We had to have the transmission entirely re-built. It took about two weeks to do so. During this time we continued our meetings using a rental car and Emily's dad went to pick up our van. We now have it back. Please pray for no more issues to occur.

In Christ,

Kyler Kerr
